You may qualify for a total of ~\$12,996 this year (estimates only).

Step 1 — Find your documents

Pull these together first — each one unlocks estimated aid on your open applications (estimates only).

Document	Could save you (est.)
Photo ID	up to ~\$12,996/yr
Proof of income (pay stub or award letter)	up to ~\$12,156/yr
Utility account # or recent bill	up to ~\$840/yr

Per-document \$ can overlap when one program needs several docs. Your total at the top counts each open program once.
