

CalClaim – Your Application Guide

Programs you may qualify for · how to apply · estimates only
Generated: 8/15/2026, 5:43:10 PM PT

You may qualify for a total of ~\$29,998 this year (estimates only).

Step 1 – Find your documents

Pull these together first – each one unlocks estimated aid on your open applications (estimates only). Where a program accepts an award letter or pay stubs, that counts as one choice.

Document	Could save you (est.)
Filed tax return (use W-2s / 1099s to prepare it)	up to ~\$14,002/yr
Photo ID	up to ~\$12,996/yr
Pay stubs or benefit award letter	up to ~\$11,928/yr
W-2s and 1099s	up to ~\$10,246/yr
Utility account # or recent bill	up to ~\$3,840/yr

Per-document \$ can overlap when one program needs several docs. Your total at the top counts each open program once.
